

Smile please: Staff at Dental Works celebrate their award

Big smiles as dental practice wins award

A DENTAL practice has won the runners-up award for best new practice in Britain.

Dental Works by Shaz & Associates, based in Station House, Elder Gate, Central Milton Keynes, which opened in May 2005, came second in the Private Dentistry Awards.

The mixed practice, which

caters for NHS and private clients, was selected out of thousands nationally.

It was also shortlisted in the Best Patient Care category.

And further honours could await the practice. It has been shortlisted for Best Dental Practice South-East Region. The awards ceremony takes place on Friday.

Ruby Nasseem said: "This is something to be proud of, which we are extremely proud, as we do try our best to provide quality work and the best patient care possible."

"We also believe that it is a matter of pride for the people in Milton Keynes, that they have such facilities available to them."
